Dark red with violetish tinges. In the nose, it's fruity and spicy with aromas of red fruit marmalade, with notes of black pepper and curry.
Explosive in the palate. It has sweet, smooth and round tannins. It is medium to full-bodied with a long fruity finish.

During this process, two daily remontages and one delestage took place in order to have an even color and structure. Total maceration for 3 weeks. Then the racking is done, the wine is pump out to another tank to clean it, which helps the malolactic fermentation that reduce the acidity to increase the quality of the wine.
